

Thank you for participating in the "interior viewing of the Tower of the Sun Museum" and the "Expo'70 pavilion".

Normally, due to safety issues such as falling prevention, it is possible to shoot only the "1st floor inside the Tower of the Sun", and "other than the 2nd floor of the annex at the EXPO'70 pavilion". . However, by using this smartphone case according to the rules, it is possible to take pictures safely in the tower and the pavilion.

Please agree to each item below and check the "☐" column on the right.
